

CUSTOM PRINTED ENVIRONMENTAL COLORING & ACTIVITY BOOKS

What better way to educate today's youth about how important it is to be kind to the environment than with one of our eco-friendly coloring and activity books. These books are printed on recycled paper with vegetable-soy based inks! Each activity book is filled with beautiful illustrations and such fun-filled activities as word searches, fill in the blanks, mazes and other games to make learning fun for children of all ages.

- A Learn About Water Conservation #ECO-0305CB**
Educating on the importance of water conservation and how one person can make a difference.
- B Saving Energy & Water #ECO-0320CB**
Teaches how children can have a positive impact in today's conservation efforts.
- C I Love My World #ECO-0310CB**
Contains ideas on saving our planet one step at a time.
- D Recycling #ECO-0325CB**
Teaches children how to become part of the recycling process and to understand the importance of recycling.
- E Keep Our Environment Clean #ECO-0300CB**
Helps children develop a positive attitude towards keeping the planet beautiful and how they can contribute to a clean environment.
